

Catching the World by the Tale

Craig Chalquist, PhD

If you wish to greet the dawning Earthrise Era by

- joining a group discussion of today's topic
- training to be a Deep Educator via the Depth Psychology Alliance
- learning more about Storied Activism
- forming a *Forward Earthrise* cultural creation circle...

....then email me at craig@chalquist.com or give me a call at 925-876-0198.

Deep educators are natural mentors who strive one self-conceived cultural experiment at a time toward the conscious, just, peaceful, and Earth-friendly world so many of us desire to live in.

"Deep" transformative inquiry involves probing through surfaces and customary explanations to explore the motifs, images, collective fantasies, and other structural forces that shape institutions, events, and worldviews that and constitute the true foundations of our time.
