

JFKU

Graduate Certificate in Ecotherapy

Available Fall 2010

This 1-year certificate program will offer training in evidence-supported approaches for transforming the human relationship to nature in the service of healing and well-being. Courses will cover topics including:

- > Horticultural therapy;
- > Animal-assisted therapy;
- > Managing "eco-anxiety;"
- > Cultural traditions that impact our relationship with the environment; and
- > Earth-conscious community practices.

The program will be offered in a hybrid format combining online coursework and field practice in two three-day intensive meetings at the Pleasant Hill campus.
